Please note any special order details here:											

Unless otherwise noted - all cards are declining balance (you don't need to use all in one purchase).

Note 1: Certificates/Change - store issues paper certificates where change is given if total purchase less than certificate amount.

Note 2: Certificate/No Change is given (i.e. if you don't use all of the certificate on your purchase you won't receive change back).

Note 3: Stongs and Safeway orders: Stongs and Safeway have "standard" gift cards in \$25, \$50 and \$100 denominations. If you want one \$200 card or one \$150 card - just indicate. If you'd like two \$100 cards and one \$50 - just let us know. there isn't enough room - just make a note below (or call/email with specifics).

Note 4: Safeway only allows us to purchase cards from September to December each school year. If you would like regular monthly orders for Safeway after December - please indicate on the "repeat each month" - we will see if we can persuade Safeway to change their mind!

Note 5: Choices - gift cards are now available in \$20 increments - i.e. \$20, \$40, \$60, \$80, \$100 - just indicate what you'd like (if you need more room - use the special order details section).

GET THEM WHAT THEY WANT - GIFT CARDS MAKE GREAT GIFTS (AND SUPPORT THE SCHOOL AT THE SAME TIME!)
